In view of the circumstances and in the light of experience from past events in the ERC, the Stewards make the competitors aware to the following facts:

Art. 22.1 of the FIA Regional Rally Sporting Regulations are specific:

“Any FIA competition licence-holder wishing to take part in a rally must **send the due entry fee** and the completed entry form to the rally secretariat **before the closing date.**”

Art. 3.9.3 of the Code states, if an Entry fee is provided for in the Supplementary Regulations, **any Entry not accompanied by this fee shall be null and void.**

An Entry may be made by any electronic means of communication provided it is dispatched before the time limit fixed for the closing of Entries and, if need be, **the required Entry fee is lodged concurrently.** (Art. 3.12.1 of the Code).

In agreement with the FIA Rally Department, we would like to remind the following:

- Competitors must send to the organisers a proof of payment – especially in case of late minute entry – and make sure the entry fee has been received on the bank account of the organiser no later than two days after the entry closing date.
- Organisers should only accept entries from competitors respecting this rule.

From Rally di Roma Capitale, any reported infringement will lead to a null and void entry. Since an entry without entry fee is null and void, competitors concerned may not appeal any decision in this regard, since they are not part of the event.
